

# DKA NEWSLETTER FEB 2010

DKA Member Brodie Green – Winner of the 2009 WA Rookie Title.

Dear Fellow Karters

I would like to welcome you all to the 2010 season and hope that your festive season was as enjoyable as mine.

To our new members, I welcome you and your families and I look forward to catching up with you soon.

Having said that, unfortunately I have work commitments in SA for the first part of the season, but will endeavour to be trackside as often as time permits. Steve Green will be filling my shoes and with the support of a very energetic committee, I can rest easy that the club is in good hands

My son Jake and Royce Nott, who is working with me, will compete in local club meetings in SA and will no doubt fly the Territory flag well.

As the time draws closer to the start of the season and you get the urge to dust off the kart and go for a spin, I remind all members that the complex does require some additional care and maintenance during the wet season. So if you have a spare moment, give the committee a call and ask what you can do to help. A working bee is planned for Sunday 14 March 2010.

Good luck for the start of the season and remember the committee and AKA officials are volunteers who provide you with an opportunity to enjoy this form of motorsport, please offer them your support and assistance throughout 2010.

Regards.

Greg Meyer  
President

### **Shopping Centre Displays**

DKA has organised 2 shopping centre displays in the coming weeks.

Palmerston Shopping Centre on Saturday morning 6<sup>th</sup> Feb.

Karama Shopping Centre on Saturday morning 13<sup>th</sup> Feb.

If successful, DKA will approach Casuarina square for a similar display before the season starts. So if you would like to assist, please give Kelly Fullwood or Natasha Smith a call.

### **Come and Try Day**

DKA's come and try day last year was very successful, resulting in at least 6 new junior members for 2010. DKA has scheduled a "Come and Try Day" for Saturday the 21st February. As with last year, advance registrations are required and a notice regarding the same will be published in the NT News in the days leading up to the event.

For this to be as successful as last year, it's important that we have a good number of karts for each class and I ask all DKA members to offer karts and assistance on the day. Please give Steve Green a call (89271233) if you are able to assist.

### **Track Upgrade**

At a recent MotorsportNT meeting, Sport and DIPE representatives advised that the re-surfacing of the DKA track has been deferred until September 2010. The deferral was necessary to coincide with work being conducted on the black track. The deferral actually favours DKA, as the original April timeframe would've impacted on early club events. In addition, if we experienced any delays in April, then it's possible our NT Title could've been cancelled or deferred.

### **National Title 2012**

Timmy Driscoll has volunteered to coordinate all DKA's requirements to host the National Title in 2012. A committee is being formed and Tim is seeking a group of energetic people to assist him in his endeavours. Call Timmy D on 0418571277 to register your interest.

### **TAG Class for 2010**

The committee is pleased to advise all 125's drivers that DKA will run a TAG class in accordance with AKA rule book in 2010. During the off season AKA amended TAG rules allowing all 125 competitors to compete using MG Red tyres. The committee look forward to an increase in 125 numbers in 2010.

### **Tech Corner**

The purpose of this segment is to give new (and some old) members some good tips on karting and kart setup. So I encourage all experienced karters to offer tips for future editions.

This month's tip – Fuel filters should be positioned vertically below the carburettor and not lay horizontal on the frame. This will eliminate air build up in the filter and reduce any potential fuel surging.

### **Social Officer**

Our newly appointed Social Officer, Natasha Smith, has a number of social initiatives planned for DKA in 2010. Meat tray raffles are one initiative, so make sure you grab your tickets from the canteen or by catching up with Natasha in and around the pit area.

### **General Information**

In past years, DKA has purchased a large quantity of AKA rule books at the start of each season and is often left with a large number of unsold copies at the end of the season, which are binned.

Going forward, DKA will purchase approximately 10 copies for use or sale and encourage all members to download a free copy from the AKA website. Hard copies will be available in the clubhouse to assist with any racing incidents etc.

The Club is looking at recording race and lap records in each class from 2010.

### **From the Bar**

Travelling with the Green's to Karratha last year, Jason Timm was reminded to wind back his watch one and half hours as they crossed over the WA boarder around lunchtime on Friday. Jason asked if it was still the same day.

Gearing up for Karratha, Brent Nott left himself a note on the fridge listing important items not to be forgotten. Items such as, Jacqui's credit card, spare motor, wallet, stubby cooler, esky, beer and hair gel. A few days later Royce added his name.

If you have a funny story, let Kelly know.

### **Drivers Profile**

Name: Bryce Fullwood  
 Age: 11  
 Classes: Midget/Rookie  
 Brand of kart: Kosmic  
 Racing No: 16  
 How long karting: 18months  
 Most respected competitor: Kale Quinlan  
 Favourite driver: Garth Tander  
 Career highlights: Nearly winning NT & WA State Titles  
 Driving ambitions: V8 Supercars  
 Favourite food: Ravioli  
 Favourite drink: Lift  
 Other comments: Thank you to mum & dad

### **Membership Guide**

The Members Guide had been updated to reflect race rules and point score system for 2010. I encourage all new (and old) members to have a read, as it provides valuable information about our club, how we operate on race days and general do's and don'ts.

### **Track use after hours**

DKA Committee remind all members that our facility is not a public facility and that track use is restricted to club members who hold a current AKA licence and whose kart and racing apparel complies with all AKA rules.

### **Working Bee**

A working bee is planned for Sunday the 14<sup>th</sup> March 2010. I encourage all members to come down and assist the regulars and rumour has it a BBQ brekkie will be provided. Thanks Tash.

#### Equipment needed

- Ride on mowers
- Whipper snippers
- Metal/plastic rakes
- Shovels
- Blowers
- Box trailer.
- Chainsaw. (no Tim)

Working bee activities will be listed on the DKA notice board prior to the day.

Steve Green will be available trackside on the morning of Round one (Sat 27<sup>th</sup> March) between 8 – 10 am to offer advice to new members about what to do on race day.

- Nomination and scrutineering process.
- Carby session, time trial, how to form up.
- Flags and what they mean.
- Where to pit etc.
